KICI-LP 105.3 FM Programs and Descriptions

Program Name	Description (short)
American Parlor Songbook	Recorded live with clever songs, charming stories, and hilarious sketches. Hosted by composer JP Houston, with his wife, comic actress Julie Van Dusen, along with special guests including national music acts and stand-ups.
Big Picture Science	Big Picture Science engages the public with modern science research through smart and humorous storytelling.
Bioneers	Features social and scientific innovators with breakthrough solutions for people and planet.
Democracy Now!	A global, independent weekday news hour anchored by journalists Amy Goodman and Juan Gonzalez.
Earth Date	Two-minute episodes explaining key geological science terms and methodologies .
Fallon Forum	Host Ed Fallon describes the show as “the fusion of politics and civility” and “a pioneering effort to bring local, progressive talk radio to audiences hungry for an alternative to the fear-mongering that dominates the public airwaves.”
Fur Peace Ranch	Each program features an artist's concert recorded at the Fur Peace Ranch guitar camp. An eclectic blend of performances including blues, folk, Americana, rock, bluegrass, and jazz.
Great Taste	Steve Boss interviews food producers, authors, journalists and chefs who value local food sources and sustainability. Sixty minutes of delicious radio.
Green Room IC	Go behind the scenes of the Iowa City area performing arts community. Featuring interviews with local actors, directors, comedians and related organizations.
Humankind	Profiles the doers and dreamers who strive to make our planet a more humane and livable place (Host: David Freudberg).
Iowa Watch	A statewide news and public affairs program produced with support from the Iowa Center for Public Affairs Journalism.
On Being with Krista Tippett	Dedicated to the large questions at the center of human existence and how these questions of meaning find practical resonance in our lives.
Open Source	An American conversation with global attitude - on the arts, humanities, and global affairs, hosted by Christopher Lydon.
Philosophy Talk	Philosophy Talk celebrates the value of the examined life. Host philosophers invite you to join them in conversation on a wide variety of issues ranging from popular culture to our most deeply-held beliefs about science, morality, and the human condition.
Radio Netherlands	An international public service broadcaster providing listeners with high quality news and in-depth cultural programming.
Reveal Weekly	Investigative journalism program for public radio. There's always more to the story.
Rockabilly N Blues Radio Hour	A great blend of rockabilly, blues, surf, roots, early rock, early country and modern vintage sounding artists; exclusive interviews with both legacy and new artists.
Science and The Sea	Entertaining stories that teach about the marine world and how scientists approach some of the oceans' mysteries.
The Naked American Songbook	Intimate, candid conversations with performers, artists, musicians and public figures by host Julian Fleisher addressing this enduring American art form. (originally produced 2016-2017)
This Way Out	Brings the voices of LGBTQ people to the airwaves telling our own story to a global audience.
Writers' Voices	Writers Voices with Monica and Caroline featuring in-depth interviews with authors, editors and more.
Your Weekly Constitutional	Focuses upon interesting and controversial issues in constitutional law; interviews with knowledgeable lawyers, scholars, and others about current and historical topics.
