## KICI-LP 105.3 FM Programs and Descriptions

Program Name	Description (short)
<b>Ambassador Radio</b>	Diverse music ranging from Americana, jazz, world, folk, experimental and much more.
<b>American Parlor Songbook</b>	Recorded live with clever songs, charming stories, and hilarious sketches. Hosted by composer JP Houston, with his wife, comic actress Julie Van Dusen, along with special guests including national music acts and stand-ups.
<b>Big Picture Science</b>	Big Picture Science engages the public with modern science research through smart and humorous storytelling.
<b>The Big Pond</b>	The Big Pond is a podcast on topics such as music, sports, history, religion, language, and society convey a multifaceted image of life in Germany and in the US. Each piece offers a fresh perspective on how much these two countries share.
<b>Bioneers</b>	Features social and scientific innovators with breakthrough solutions for people and planet.
<b>Children's Hour</b>	An entertaining and educational program created for kids but enjoyable for the whole family. Diverse topics include literacy, civic engagement, science, history, theater, and culture, using interviews, storytelling, poetry, music, and discussion.
<b>Climate Connections</b>	Short segments (90-seconds) produced by Yale University explaining how climate change impacts our lives, and what diverse people and organizations are doing to reduce the associated risks.
<b>Climate One</b>	A program about energy, economy and the environment from the Commonwealth Club of California. Listen for candid discussions among climate scientists, policy makers, activists and concerned citizens, hosted by Climate One founder Greg Dalton.
<b>Collector's Vault</b>	Features opera and concert rarities, items from artists' private collections & estates, and old-time radio, produced and hosted by Steve Slezak.
<b>Comedy/Novelty Songs</b>	An hour of comedy and novelty songs along with information about each.
<b>Cover Up</b>	A half hour of songs that you already know, sort of. It's a show about cover songs, but specifically, cover songs that don't really sound the same.
<b>Democracy Now!</b>	A global, independent weekday news hour anchored by journalists Amy Goodman and Juan Gonzalez.
<b>Earth Date</b>	Two-minute episodes explaining key geological science terms and methodologies .
<b>Fallon Forum</b>	Host Ed Fallon describes the show as “the fusion of politics and civility” and “a pioneering effort to bring local, progressive talk radio to audiences hungry for an alternative to the fear-mongering that dominates the public airwaves.”
<b>Folk Alley</b>	Folk Alley includes an exciting, intelligent, and eclectic mix of the best traditional folk, Americana, singer/songwriters, and roots music. You'll hear the latest releases, classics, exclusive in-studio sessions and live concert recordings.
<b>Fur Peace Ranch</b>	Each program features an artist's concert recorded at the Fur Peace Ranch guitar camp. An eclectic blend of performances including blues, folk, Americana, rock, bluegrass, and jazz.
<b>Great Taste</b>	Steve Boss talks with food producers, authors, journalists, and chefs who value local food sources and sustainability. Sixty minutes of delicious radio.
<b>Green Room IC</b>	Go behind the scenes of the Iowa City area performing arts community. Featuring interviews with local actors, directors, comedians and related organizations. An original KICI production.

## KICI-LP 105.3 FM Programs and Descriptions

Program Name	Description (short)
<b>Grok Science Radio Show</b>	A weekly science program with hosts, Dr. Charles Lee, Dr. Frank Ling, and Samantha Thomas. Grok Science Radio takes an in-depth look at recent events in the world of science and technology, and examine the effects of recent discoveries on our daily lives.
<b>The Herman Show</b>	Bernard Herman presents music and interviews with figures in the music and entertainment industries.
<b>iHearIC Radio</b>	KICI's local music scope is broadening by adding iHearIC Radio. iHearIC is a weekly radio show featuring local Iowa City artists. Listen for recordings from our concerts, studio tracks from local bands, conversations and interviews with artists, and an occasional in-studio performance! Special thanks to Justin K. Comer and KRUI radio.
<b>Inside Europe</b>	Get the inside take on European affairs with Deutsche Welle's weekly news magazine exploring topical dynamic social and political issues shaping the continent.
<b>Iowa City Police Log</b>	Postings from the Iowa City Police Log social media (procured from the daily Iowa City police activity log), adapted for radio
<b>Iowa Business Report</b>	The Iowa Business Report features interviews with individuals about government, the economy, jobs, trade, and investments.
<b>Kenn's Eclectic Korner</b>	Kenn Bowen brings his own unique music mix to KICI in the station's first ever live-hosted show.
<b>Live at the Bop Stop</b>	Jazz music recorded live at the Bop Stop in The Music Settlement in Cleveland, hosted by Gabe Pollack
<b>Local Music</b>	Music from current and former Iowans
<b>Noon Music Hour</b>	Local music to go along with your lunch including headlines from the Public News Service, Science & the Sea and Iowa City Police Log.
<b>Open Source</b>	An American conversation with global attitude - on the arts, humanities, and global affairs, hosted by Christopher Lydon.
<b>Orbital Path</b>	Orbital Path with Michelle Thaller takes a look at the big questions of the cosmos and what the answers can reveal about our life here on Earth. From podcast powerhouse PRX, with support from the Sloan Foundation.
<b>Philosophy Talk</b>	Philosophy Talk celebrates the value of the examined life. Each week, host philosophers invite you to join them in conversation on a wide variety of issues ranging from popular culture to our most deeply-held beliefs about science, morality, and the human condition.
<b>Public News Service</b>	A six-minute national news summary made available through the Iowa News Service.
<b>Radio Dramas</b>	Lakes Area Radio Theatre voice actors bring old time and contemporary written stories to life on the radio. Recorded and produced in Alexandria, Minnesota.
<b>Reveal Weekly</b>	Investigative journalism program for public radio. There's always more to the story.
<b>Rhythm Revival</b>	Best of roots music including classic soul, R&B, rock 'n' roll, and gospel. Hosted by the Reverend Billy C. Wirtz.
